Federated Security in Web Services

This weekend I have to get into the thick and thin of Federated Security.
So far it does not look like it will be fun.

ABOUT ME

SHAJI SETHU

SYDNEY, NEW SOUTH

WALES, AUSTRALIA

I am an Engineer by
training and started
programming with Fortran
77. Along the way met VB4
and fell in love with
programming and never
looked back. Since then
have really enjoyed Vb and
now the .NET framework
with VB.NET and C#.

Recently did a minor foray
into the Java space with
JSP, J2EE and Java GUI
while studying for Masters
in Computer Science.
